

# Become your own *better half.*

***Sure, change is difficult.*** But at the Center for Bariatric Surgery we help you realize the possibilities of a healthier lifestyle through two proven surgical weight loss procedures. We are the only Center of Excellence in the San Fernando and Conejo valleys designated by the American Society for Bariatric Surgery. Let us help you reclaim your life, your health and your self-esteem with our state-of-the-art technology and compassionate care. We're not just here for surgery – we're here to support and motivate you to a new healthy life!

Center of  
Excellence  
BARIATRIC SURGERY
